5.	Mr. Prakash Dharshibhai Shah	In favour
6.	Mr. Shiraz Bugwadia Homi	In favour

7. Rationale and Benefits of the Scheme of Arrangement

1. The Company currently has a negative balance under the head "Retained Earnings". Despite reporting the profits during the previous years, the negative Retained Earnings are weighing down the financial statements of the Company and are not reflective of its true current financial positions.
2. As a strategic move, the Company proposed to undertake financial restructuring through a Scheme of Arrangement to set-off the negative balance in the Retained Earnings against the credit balance in the Securities Premium Account. The set-off of the credit balance in the Securities Premium Account would not have any impact on the shareholding pattern and the capital structure of the Company.
3. The above set-off could potentially reap strategic benefits including but not limited to the following:
 - a. the financial statements of the Company should reflect its true and fair financial health and achieve right sizing of the balance sheet;
 - b. help in resizing the reserves of the Company and thereby denoting a positive reserve representing its true and fair financial position which is commensurate with its business and assets;
 - c. enable the Company to use the amount which is lying unutilized in the credit balance in the Securities Premium Account of the Company in an effective manner for the benefit of the Company;
 - d. help in exploring the opportunities for the benefit of the shareholders of the Company including but not restricted to dividend payment as per applicable provisions of the Companies Act, 2013 and rules made thereunder;
 - e. the Scheme does not involve any financial outlay/outgo and therefore, would not affect the ability or liquidity of the Company to meet its obligations/commitments in the normal course of business. Further, this Scheme would also not in any way adversely affect the ordinary operations of the Company; and
 - f. the Scheme would be in the best interest of the shareholders and other stakeholders of the Company.

In view of the aforesaid, the Board of Directors of the Company have considered and proposed this Scheme and matters incidental thereto pursuant to the provisions of Section 230 read with Section 52 and Section 66 and other relevant provisions of the Act.

8. **The salient features of the Scheme are as follows:**

PART I – DEFINITIONS AND SHARE CAPITAL

DEFINITIONS

References in this Scheme to the date of "coming into effect of this Scheme" or "upon the Scheme becoming effective" shall mean the Effective Date
- 1.18. **"this Scheme" or "the Scheme" or "Scheme of Arrangement"** means this Scheme of Arrangement in its present form, submitted to the Tribunal for sanction of this Scheme with such modification(s), if any, made as per Clause 12 of this Scheme.

Part II – FINANCIAL RESTRUCTURING OF THE COMPANY

5. FINANCIAL RESTRUCTURING OF THE COMPANY

- 5.1. *As on 31 March 2025, the Other Equity as appearing in the books of accounts of the Company is as under:*

Particulars	Amount in Rs.
<i>General Reserve</i>	98,525
<i>Securities Premium</i>	2,44,25,66,361.62
<i>Retained Earnings</i>	(46, 16,81,974.32)
<i>Remeasurement Benefits</i>	(13,12,484.13)

- 5.2. *Upon the Scheme becoming effective and with effect from the Appointed Date, the negative balance of the Retained Earnings shall be first adjusted against the credit balance in the Securities Premium Account as appearing in books of accounts of the Company as on the Appointed Date.*
- 5.3. *The adjustment of the negative balance of Retained Earnings against the credit balance in the Securities Premium Account of the Company as stated in Clause above, shall be effected as an integral part of this Scheme itself, and the order of the Tribunal sanctioning this Scheme shall confirm the adjustment of the negative balance of Retained Earnings against the credit balance in the Securities Premium Account of the Company.*

- 5.4. *The utilization of the Securities Premium Account as aforesaid shall be effected as an integral part of the Scheme and the order of the NCL T sanctioning this Scheme shall be deemed to be an order under Section 66 read with Section 52 and other applicable provisions of the Act and no separate sanction under Section 66 read with Section 52 and other applicable provisions of the Act will be necessary.*
- 5.5. *Pursuant to the Scheme, there is no outflow of/ payout of funds from the Company and hence, the interest of the shareholders/ creditors is not adversely affected. For the removal of doubt, it is expressly recorded and clarified that the Scheme shall not in any manner involve distribution of reserves and shall be in accordance with the accounting standards prescribed under provisions of Section 133 of the Act.*
- 5.6. *The adjustment of the negative balance of Retained Earnings against the credit balance in the Securities Premium Account of the Company would not involve either a diminution of liability in respect of unpaid share capital or payment of paid-up share capital.*
- 5.7. *Notwithstanding the adjustment of the negative balance of Retained Earnings against the credit balance in the Securities Premium Account of the Company, as stated in Clause 5.2 above, the Company shall not be required to add 'And Reduced' as suffix to its name.*
- 5.8. *This Scheme is an "arrangement" between the Company and its shareholders under Section 230 read with Section 52 and Section 66 and the other applicable provisions of the Act and does not envisage the transfer or vesting of any properties and/or liabilities as contemplated in Sections 230 to 232 and other applicable provisions of the Act. This Scheme does not involve any "conveyance" or "transfer" of any property/liabilities and does not relate to amalgamation or merger or demerger of companies in terms of Sections 230 to 232 of the Act, and accordingly this Scheme and the order sanctioning this Scheme shall not be deemed to be a conveyance within the meaning of the Maharashtra Stamp Act, 1958, and therefore no stamp duty shall be payable on the Scheme and /or the order sanctioning this Scheme.*

6. ACCOUNTING TREATMENT IN THE BOOKS OF THE COMPANY

- 6.1. *Notwithstanding anything contained in the Scheme, the Company shall account for the financial restructuring in accordance with Ind AS notified under Section 133 of the Act, under the Companies (Indian Accounting Standard) Rules, 2015, as may be amended from time to time, and other accounting principles generally accepted in India. The negative balance of Retained Earnings as on the Appointed Date shall be adjusted against the credit balance in the Securities Premium Account of the Company.*
- 6.2. *This adjustment shall be deemed to constitute a reduction of share capital as contemplated under Section 52(1) and Section 66 of the Act, and the NCLT's approval of this Scheme shall serve as confirmation of such capital reduction under Section 66 of the Act.*

Part III – GENERAL TERMS AND CONDITIONS

7. EMPLOYEES

The employees of the Company shall, in no way, be affected by the proposed financial restructuring, as there is no transfer of employees under the Scheme. On the Scheme becoming effective, all the employees of the Company shall continue with their employment, without any break or interruption in their services, on the same terms and conditions on which they are engaged as on the Effective Date.

8. CREDITORS

The adjustment of negative Retained Earnings against the credit balance in the Securities Premium Account (as set out in Clause 5.2 above) will not cause any prejudice to the creditors of the Company. The creditors of the Company are, in no way, affected by the proposed financial restructuring, as there is no reduction in the amount payable to any of the creditors and no compromise or arrangement is contemplated with the creditors. Further, there is no outflow of cash from the Company. Thus, the proposed adjustment would not, in any way, adversely affect the operations of the Company or the ability of the Company to honour its commitments or to pay its debts in the ordinary course of business.

9. COMPLIANCE WITH TAX LAWS

The Scheme is in compliance with the applicable Tax Laws. Upon the Scheme becoming effective, the Company shall continue to pay Taxes in accordance with and subject to Applicable Law.

10. LEGAL PROCEEDINGS

Upon the Scheme becoming effective, all suits, actions, administrative proceedings, tribunal proceedings, show cause notices, demands and legal proceedings of whatsoever nature by or against the Company pending and/or arising on or before the Effective Date or which may be instituted any time thereafter shall not abate or be discontinued or be in any way prejudicially affected by reason of this Scheme or by anything contained in this Scheme but shall be continued and be enforced by or against the Company.

11. APPLICATIONS/PETITIONS TO THE TRIBUNAL

The Company shall make and file all applications and petitions under Sections 230 read with section 52 and section 66 of the Act and other applicable provisions of the Act before the Tribunal, for sanction of this Scheme under the provisions of the Act.

12. MODIFICATIONS/AMENDMENTS TO THE SCHEME

- 12.1. The Company, through its Board of Directors, may make or consent to any modifications/ amendments to this Scheme or approve withdrawal of the Scheme or any part thereof or to any conditions or limitations that the Tribunal or any other Appropriate Authority may deem fit to direct or impose or which may otherwise be considered necessary, desirable or appropriate by them or the Board.*

12.2. *The Board of the Company shall take all such steps as may be necessary, desirable, or proper to resolve any doubts, difficulties or questions, including interpretation of the Scheme, whether by reason of any directive or orders of any other Appropriate Authorities or otherwise howsoever arising out of or under or by virtue of the Scheme or any matter concerned or connected therewith. The power of the Boards of the Company to modify/ amend the Scheme shall be subject to the approval of the Tribunal.*

13. SCHEME CONDITIONAL ON APPROVALS/ SANCTIONS

13.1. *The Scheme is conditional upon and subject to the following conditions precedent:*

13.1.1. *approval of the Scheme by the requisite majority of shareholders and/ or creditors of the Company, as applicable or as may be required under the Act and as may be directed by the Tribunal;*

13.1.2. *the sanctions and orders of the Tribunal, under Sections 230 of the Act being obtained by the Company; and*

13.1.3. *the certified copy of the orders of the Tribunal being filed with the RoC by the Company.*

13.2. *It is hereby clarified that submission of this Scheme to the Tribunal and to the Appropriate Authorities for their respective approvals is without prejudice to all rights, interests, titles or defences that Company may have under or pursuant to all Applicable Laws.*

14. EFFECT OF NON-RECEIPT OF APPROVALS

In the event of any of the said sanctions and approvals referred to in the Clause 13 above, not being obtained and/ or the Scheme not being sanctioned by the Tribunal and/or the order not being passed as aforesaid within such period or periods as may be agreed upon by the Board, this Scheme shall stand revoked , cancelled and be of no effect , save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any rights and/ or liabilities which might have arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as is specifically provided in the Scheme or as may otherwise arise in law.

15. REMOVAL OF DIFFICULTIES

15.1. *The Company acting through its Board, may*

- a. give such directions and agree to take steps, as may be necessary, desirable or proper, to resolve all doubts, difficulties or questions arising under this Scheme, whether by reason of any orders of the Appropriate Authority or of any directive or orders of any Appropriate Authority, under or by virtue of this Scheme in relation to the arrangement contemplated in this Scheme and/ or matters concerning or connected therewith or in regard to and of the meaning or interpretation or implementation thereof or in any manner whatsoever connected therewith, or to review the position relating to the satisfaction of various*

conditions of this Scheme and if necessary, to waive any of those to the extent permissible under Applicable Law; and/or

- b. do all such acts, deeds and things as may be necessary, desirable or expedient for carrying the Scheme into effect.*

15.2. Annexure A

SCHEME OF ARRANGEMENT

BETWEEN

CONCORD ENVIRO SYSTEMS LIMITED

AND

ITS SHAREHOLDERS

**UNDER SECTION 230 READ WITH SECTION 52 AND SECTION 66 AND
OTHER APPLICABLE PROVISIONS OF THE COMPANIES ACT, 2013**

A. PREAMBLE

1. This Scheme of Arrangement (“**Scheme**” as more particularly defined hereunder) provides for financial restructuring of Concord Enviro Systems Limited (“**Company**”) wherein the negative Retained Earnings of the Company would be adjusted against the credit balance in the Securities Premium Account of the Company under the provisions of Section 230 read with section 52 and section 66 and other applicable provisions of the Companies Act, 2013 (more particularly defined hereinafter).
2. This Scheme also provides for various other matters consequential thereto or otherwise integrally connected therewith.

B. DESCRIPTION OF COMPANY

Concord Enviro Systems Limited (hereinafter referred to as “**Company**”) is a Listed Public Company incorporated under the provisions of the Companies Act, 1956 under the Corporate Identification Number L45209MH1999PLC120599 and having its registered office situated at 101, HDIL Towers, Anant Kanekar Marg, Bandra (East), Mumbai City, Mumbai, Maharashtra, India, 400051. The Company was incorporated on July 1, 1999, as a Private Limited Company under the name and style of Concord Enviro Systems Private Limited. Subsequently, the name of the Company was changed to Concord Enviro Systems Limited, upon conversion into a public company and fresh certificate of incorporation was issued by the Registrar of Companies(“**RoC**”), Mumbai on 6th June 2022. The Company is engaged in the business of manufacturing and trading of components of water treatment plants and providing technical consultancy and design

services. The equity shares of the Company are listed on BSE Limited and the National Stock Exchange of India Limited (collectively, the 'Stock Exchanges').

C. RATIONALE OF THE SCHEME

1. The Company currently has a negative balance under the head "Retained Earnings". Despite reporting profits during the previous years, the negative Retained Earnings are weighing down the financial statements of the Company and are not reflective of its true current financial positions.
2. As a strategic move, the Company proposed to undertake financial restructuring through a Scheme of Arrangement to set-off the negative balance in the Retained Earnings against the credit balance in the Securities Premium Account. The set-off of the credit balance in the Securities Premium Account would not have any impact on the shareholding pattern and the capital structure of the Company.
3. The above set-off could potentially reap strategic benefits including but not limited to the following:
 - a. the financial statements of the Company would reflect its true and fair financial health and achieve right sizing of the balance sheet;
 - b. help in resizing the reserves of the Company and thereby denoting a positive reserve representing its true and fair financial position which is commensurate with its business and assets;
 - c. Enable the Company to use the amount which is lying unutilized in the credit balance in the Securities Premium Account of the Company in an effective manner for the benefit of the Company;

- d. Help in exploring the opportunities for the benefit of the shareholders of the Company including but not restricted to dividend payment as per applicable provisions of the Act and rules made thereunder;
- e. The Scheme does not involve any financial outlay/outgo and therefore, would not affect the ability or liquidity of the Company to meet its obligations/commitments in the normal course of business. Further, this Scheme would also not in any way adversely affect the ordinary operations of the Company;
- f. The Scheme would be in the best interest of the shareholders and other stakeholders of the Company.

In view of the aforesaid, the Board of Directors of the Company have considered and proposed this Scheme and matters incidental thereto pursuant to the provisions of Sections 230 read with section 52 and section 66 and other relevant provisions of the Act.

D. PARTS OF THE SCHEME

This Scheme is divided into the following parts:

- a. **Part I** – deals with the definitions of capitalized terms used in this Scheme, the details of the share capital of the Company and date of taking effect and implementation of this Scheme;
- b. **Part II** – deals with Financial Restructuring of the Company; and
- c. **Part III** – deals with the General Terms and Conditions applicable to the Scheme and other matters consequential and integrally connected thereto.

Though this Scheme is divided into various parts, for the purpose of convenience, it is to be implemented as a single inseparable comprehensive Scheme.

FINANCIAL RESTRUCTURING OF THE COMPANY

5. FINANCIAL RESTRUCTURING OF THE COMPANY

- 5.1. As on 31 March 2025, the Other Equity as appearing in the books of accounts of the Company is as under:

Particulars	Amount in Rs.
General Reserve	98,525
Securities Premium	2,44,25,66,361.62
Retained Earnings	(46,12,54,563.45)
Remeasurement Benefits	(17,39,895)

- 5.2. Upon the Scheme becoming effective and with effect from the Appointed Date, the negative balance of the Retained Earnings shall be first adjusted against the credit balance in the Securities Premium Account as appearing in books of accounts of the Company as on the Appointed Date.
- 5.3. The adjustment of the negative balance of Retained Earnings against the credit balance in the Securities Premium Account of the Company as stated in Clause 5.2 above, shall be effected as an integral part of this Scheme itself, and the order of the Tribunal sanctioning this Scheme shall confirm the adjustment of the negative balance of Retained Earnings against the credit balance in the Securities Premium Account of the Company.

- 5.4. The utilization of the Securities Premium Account as aforesaid shall be effected as an integral part of the Scheme and the order of the NCLT sanctioning this Scheme shall be deemed to be an order under Section 66 read with Section 52 and other applicable provisions of the Act and no separate sanction under Section 66 read with Section 52 and other applicable provisions of the Act will be necessary.
- 5.5. Pursuant to the Scheme, there is no outflow of/ payout of funds from the Company and hence, the interest of the shareholders/ creditors is not adversely affected. For the removal of doubt, it is expressly recorded and clarified that the Scheme shall not in any manner involve distribution of reserves and shall be in accordance with the accounting standards prescribed under provisions of Section 133 of the Act.
- 5.6. The adjustment of the negative balance of Retained Earnings against the credit balance in the Securities Premium Account of the Company would not involve either a diminution of liability in respect of unpaid share capital or payment of paid-up share capital.
- 5.7. Notwithstanding the adjustment of the negative balance of Retained Earnings against the credit balance in the Securities Premium Account of the Company, as stated in Clause 5.2 above, the Company shall not be required to add 'And Reduced' as suffix to its name.

5.8. This Scheme is an “arrangement” between the Company and its shareholders under Section 230 read with section 52 and section 66 and the other applicable provisions of the Act and does not envisage the transfer or vesting of any properties and/or liabilities as contemplated in Sections 230 to 232 and other applicable provisions of the Act. This Scheme does not involve any “conveyance” or “transfer” of any property/liabilities and does not relate to amalgamation or merger or demerger of companies in terms of Sections 230 to 232 of the Act, and accordingly this Scheme and the order sanctioning this Scheme shall not be deemed to be a conveyance within the meaning of the Maharashtra Stamp Act, 1958 , and therefore no stamp duty shall be payable on the Scheme and / or the order sanctioning this Scheme.

6. ACCOUNTING TREATMENT IN THE BOOKS OF THE COMPANY

- 6.1. Notwithstanding anything contained in the Scheme, the Company shall account for the financial restructuring in accordance with Ind AS notified under Section 133 of the Act, under the Companies (Indian Accounting Standard) Rules, 2015, as may be amended from time to time, and other accounting principles generally accepted in India. The negative balance of Retained Earnings as on the Appointed Date shall be adjusted against the credit balance in the Securities Premium Account of the Company.
- 6.2. This adjustment shall be deemed to constitute a reduction of share capital as contemplated under Section 52(1) and Section 66 of the Act, and the NCLT's approval of this Scheme shall serve as confirmation of such capital reduction under Section 66 of the Act.

PART- III

GENERAL TERMS AND CONDITIONS

7. **EMPLOYEES**

The employees of the Company shall, in no way, be affected by the proposed financial restructuring, as there is no transfer of employees under the Scheme. On the Scheme becoming effective, all the employees of the Company shall continue with their employment, without any break or interruption in their services, on the same terms and conditions on which they are engaged as on the Effective Date.

8. **CREDITORS**

The adjustment of negative Retained Earnings against the credit balance in the Securities Premium Account (as set out in Clause 5.2 above) will not cause any prejudice to the creditors of the Company. The creditors of the Company are, in no way, affected by the proposed financial restructuring, as there is no reduction in the amount payable to any of the creditors and no compromise or arrangement is contemplated with the creditors. Further, there is no outflow of cash from the Company. Thus, the proposed adjustment would not, in any way, adversely affect the operations of the Company or the ability of the Company to honour its commitments or to pay its debts in the ordinary course of business.

9. **COMPLIANCE WITH TAX LAWS**

The Scheme is in compliance with the applicable Tax Laws. Upon the Scheme becoming effective, the Company shall continue to pay Taxes in accordance with and subject to Applicable Law.

10. **LEGAL PROCEEDINGS**

Upon the Scheme becoming effective, all suits, actions, administrative proceedings, tribunal proceedings, show cause notices, demands and legal proceedings of whatsoever nature by or against the Company pending and/or arising on or before the Effective Date or which may be instituted any time thereafter shall not abate or be discontinued or be in any way prejudicially affected by reason of this Scheme or by anything contained in this Scheme but shall be continued and be enforced by or against the Company.

11. **APPLICATIONS/PETITIONS TO THE TRIBUNAL**

The Company shall make and file all applications and petitions under Sections 230 read with section 52 and section 66 of the Act and other applicable provisions of the Act before the Tribunal, for sanction of this Scheme under the provisions of the Act.

12. **MODIFICATIONS / AMENDMENTS TO THE SCHEME**

- 12.1. The Company, through its Board of Directors, may make and / or consent to any modifications / amendments to this Scheme or approve withdrawal of the Scheme or any part thereof or to any conditions or limitations that the Tribunal or any other Appropriate Authority may deem fit to direct or impose or which may otherwise be considered necessary, desirable or appropriate by them or the Board. The Board of the Company shall take all such steps as may be necessary, desirable, or proper to resolve any doubts, difficulties or questions, including interpretation of the Scheme, whether by reason of any directive or orders of any other

Appropriate Authorities or otherwise howsoever arising out of or under or by virtue of the Scheme and / or any matter concerned or connected therewith. The power of the Boards of the Company to modify / amend the Scheme shall be subject to the approval of the Tribunal.

13. SCHEME CONDITIONAL ON APPROVALS / SANCTIONS

13.1. The Scheme is conditional upon and subject to the following conditions precedent:

- 13.1.1. approval of the Scheme by the requisite majority of shareholders and/or creditors of the Company, as applicable or as may be required under the Act and as may be directed by the Tribunal;
- 13.1.2. the sanctions and orders of the Tribunal, under Sections 230 of the Act being obtained by the Company; and
- 13.1.3. the certified copy of the orders of the Tribunal being filed with the RoC by the Company.

13.2. It is hereby clarified that submission of this Scheme to the Tribunal and to the Appropriate Authorities for their respective approvals is without prejudice to all rights, interests, titles or defences that Company may have under or pursuant to all Applicable Laws.

14. EFFECT OF NON-RECEIPT OF APPROVALS

In the event of any of the said sanctions and approvals referred to in the Clause 13 above, not being obtained and/ or the Scheme not being sanctioned by the Tribunal and / or the order not being passed as aforesaid within such period or periods as may be agreed upon by the Board, this Scheme shall stand revoked,

cancelled and be of no effect, save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any rights and/ or liabilities which might have arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as is specifically provided in the Scheme or as may otherwise arise in law.

15. REMOVAL OF DIFFICULTIES

15.1. The Company acting through its Board, may:

- a. give such directions and agree to take steps, as may be necessary, desirable or proper, to resolve all doubts, difficulties or questions arising under this Scheme, whether by reason of any orders of the Appropriate Authority or of any directive or orders of any Appropriate Authority, under or by virtue of this Scheme in relation to the arrangement contemplated in this Scheme and/ or matters concerning or connected therewith or in regard to and of the meaning or interpretation or implementation thereof or in any manner whatsoever connected therewith, or to review the position relating to the satisfaction of various conditions of this Scheme and if necessary, to waive any of those to the extent permissible under Applicable Law; and/or
- b. do all such acts, deeds and things as may be necessary, desirable or expedient for carrying the Scheme into effect.

15.2. Without prejudice to the other provisions of the Scheme and notwithstanding the adjustment of negative Retained Earnings against the credit balance in the Securities Premium Account of the Company by virtue of the Scheme itself, in order to ensure implementation of the provisions of the Scheme the Company may, at any time after the coming into effect of this Scheme in accordance with

the provisions hereof, if so required, under Applicable Law or otherwise, execute deeds (including deeds of adherence), confirmations or other writings or arrangements with any party to any contracts or arrangement in relation to which the Company has been a party, including any filings with the regulatory authorities in order to give formal effect to the above provisions and to carry out or perform all such formalities or compliances referred to above on the part of the Company.

16. COSTS

All costs, charges, taxes including duties, levies (including stamp duty) and all other expenses, if any, arising out of or incurred in carrying out and implementing this Scheme and matters incidental thereto, shall be borne by the Company.

17. MISCELLANEOUS

- 17.1. Upon this Scheme becoming effective, the accounts of the Company and any other, record/certificate/return, as on the Appointed Date shall be reconstructed in accordance with the terms of this Scheme.
- 17.2. Upon the Scheme becoming effective, the Scheme shall be binding on the Company and all concerned parties without any further act, deed, matter or thing.
- 17.3. The provisions contained in this Scheme are inextricably inter-linked and the Scheme constitutes an integral whole. The Scheme would be given effect to only if it is approved in its entirety unless specifically agreed otherwise by the Board of Directors of the Company or any committee constituted by such Board.
- 17.4. The Company shall be at liberty to withdraw this Scheme at any time as may be agreed by the Board of Directors of the Company prior to the Effective Date.

INDEPENDENT AUDITOR'S REPORT
**To The Members of Concord Enviro Systems Limited
 Report on the Audit of the Standalone Financial Statements**
Opinion

We have audited the accompanying standalone financial statements of Concord Enviro Systems Limited (the "Company"), which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. The Director's report is expected to be made available to us after the date of this auditor's report.
- Our opinion on the standalone financial statements does not cover the other information and will not express any form of assurance conclusion thereon.

- In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'

Responsibilities of Management and Board of Directors for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for not complying with the requirement of audit trail as stated in (i)(vi) below.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

- e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) The modification relating to the maintenance of accounts and other matters connected therewith, is as stated in paragraph (b) above.
- g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 34 to the standalone financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Note 19 to the standalone financial statements;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the note 44.8 to the financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the note 44.8 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain

Deloitte Haskins & Sells LLP

- v. The company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
 - vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended 31st March, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention except for the period from 1st April 2023 to 4th April 2023 where the earlier software was used which did not have audit trail feature.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to standalone financial statements of Concord Enviro Systems Limited (the "Company") as at 31st March 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of the records

that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31st March 2025, based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Concord Enviro Systems Limited of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that,

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) As the Company does not hold any intangible assets, reporting under clause 3(i) of the Order is not applicable.
- (b) The Property, Plant and Equipment were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. No material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) and hence reporting under clause 3(i)(c) of the Order is not applicable.
- (d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) during the year. The Company does not have any intangible assets.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company does not have any inventory on hand as on 31st March, 2025. In respect of goods in-transit, the goods have been received subsequent to the year end. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on alternate procedures performed, when compared with the books of account.
- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) The Company has made investment in, provided guarantee and granted loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year, in respect of which:
- (a) The Company has provided loans and guarantee during the year and details of which are given below:

(Rs. in millions)

(Handwritten signature)

- (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) In our opinion, moneys raised by way of initial public offer during the year, have been, applied by the Company for the purposes for which they were raised, other than temporary deployment pending application of proceeds. The Company has not raised moneys by way of Initial Public Offer / further public offer through debt Instruments.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv)(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued to the Company during the year and covering the period under audit.
- (xv) In our opinion, during the year, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.

- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any

Deloitte Haskins & Sells LLP

guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

1. Company's background

Concord Enviro Systems Limited ("the Company") is listed public limited company domiciled and incorporated in India under the Companies Act, 1956 vide CIN No. U45209MH1999PTC120599 and incorporated on 1st July 1999. The Company is an unlisted public limited company w.e.f. June 09, 2022, with CIN No. U45209MH1999PLC120599. Further the Company is listed public limited company w.e.f. December 27, 2024, with new CIN No. L45209MH1999PLC120599. The registered office of the Company is located at 101, HDIL Towers Limited, Anant Kanekar Marg, Mumbai - 400 051, India.

Concord Enviro Systems Limited is engaged in the business of manufacturing and trading of components of water treatment plants and providing technical consultancy and design services.

2. Basis of preparation

2.1. Basis of preparation and presentation and Statement of compliance

The Standalone Financial Statements are prepared in accordance with the Indian Accounting Standards (referred to as Ind AS) notified under the section 133 of the Act ('the Act') read with the Companies (Indian Accounting Standards) Rules 2015, as amended, and other accounting principles generally accepted in India, considering other relevant provisions of the Act.

The Ind AS financial statements as at and for the year ended March 31, 2025 have been approved by the Board of Directors at their meeting held on May 24, 2025.

3. Material Accounting Policies

3.1. Current and non-current classification

The Company presents assets and liabilities in the Standalone Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities, respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Based on the nature of service and the time between rendering of services and their realization in cash and cash equivalents, 12 months has been considered by the Company for the purpose of current / non-current classification of assets and liabilities.

3.2. Functional and presentation currency

Standalone Financial Statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Standalone Financial Statements are presented in Indian rupee (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest Millions, up to two places of decimal, unless otherwise indicated. Amounts having absolute value of less than INR 1,000,000 have been rounded and are presented as INR Millions in the Standalone Financial Statements.

3.3. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal market or the most advantageous market must be accessible to the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs

All assets and liabilities for which fair value is measured or disclosed in the Standalone Financial Statements are categorized within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

- Level 1 – Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2 – Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3 – Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets and liabilities that are recognised in the Standalone Financial Statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of fair value hierarchy.

Fair values have been determined for measurement and / or disclosure purpose using methods as prescribed in "Ind AS 113 Fair Value Measurement".

3.4. Use of estimates, judgements and assumptions

The preparation of these Standalone Financial Statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions in application of accounting policies that affect the reported balances of assets and liabilities, disclosure of contingent liabilities as on the date of Standalone Financial Statements and reported amounts of income and expenses for the periods presented. The Company based its assumptions and estimates on parameters available when the Standalone Financial Statements were prepared. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. Significant estimates and critical judgement in applying these accounting policies are described below:

3.4.1. Estimates and assumptions

Impairment of non-financial assets (property, plant and equipments and right of use asset)

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. In determining the fair value less costs to disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

(ii) Defined benefit obligations

The cost of the defined benefit gratuity plan, other defined benefit plan and other post-employment plans are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, expected returns on plan assets and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The mortality rate is based on publicly available mortality tables for India. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases, discount rate and return on planned assets are based on expected future inflation rates for India.

(iii) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period. Further, the Company also evaluates risk with respect to expected loss on account of loss in time value of money which is calculated using average cost of capital for relevant financial assets.

(iv) Income tax and deferred tax

Deferred tax assets are not recognised for unused tax losses as it is not probable that taxable profit will be available against which the losses can be utilised. Significant management judgement/estimate is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. Further details on taxes are disclosed in note 3.13

(v) Fair value of financial assets and financial liabilities

Some of the Company's financial assets and financial liabilities are measured at fair value for financial reporting purposes. The Company determines the appropriate valuation techniques and input for fair value measurements. For estimates relating to fair value measurement refer note 3.3.

3.5. Property, Plant and Equipment and Depreciation

Recognition and measurement

Under the previous GAAP, property, plant and equipment were carried at historical cost less depreciation and impairment losses, if any. On transition to Ind AS, the Company has availed the optional exemption under Ind AS 101 and accordingly it has used the carrying value as at the date of transitions as the deemed cost of the property, plant & equipment under Ind AS.

Properties plant and equipment are stated at their cost of acquisition. Cost of an item of property, plant and equipment includes purchase price including non - refundable taxes and duties, borrowing cost directly attributable to the qualifying asset, any costs directly attributable to bringing the asset to the location and

condition necessary for its intended use and the present value of the expected cost for the dismantling/decommissioning of the asset.

Parts (major components) of an item of property, plant and equipments having different useful lives are accounted as separate items of property, plant and equipments.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Capital work-in-progress comprises of cost incurred on property, plant and equipment under construction / acquisition that are not yet ready for their intended use at the Balance Sheet Date. Advances paid towards the acquisition of PPE outstanding at each reporting date is classified as Capital Advances under "Other Non-Current Assets" and assets which are not ready for intended use as on the date of Standalone Financial Statements are disclosed as "Capital Work-in-Progress".

Depreciation and useful lives

Depreciation on the property, plant and equipment (other than capital work in progress) is provided on a written down value method (WDV) over their useful lives which is in consonance of useful life mentioned in Schedule II to the Companies Act, 2013 or useful lives as determined based on internal technical evaluation. The estimated useful lives are as under:

Type of asset	Useful lives estimated by the management (years)
Furniture and fixture	10
Computer	3

Depreciation methods, useful lives and residual values, determined based on internal technical evaluation are reviewed at each financial year end and adjusted prospectively.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is de-recognised.

3.6. Right of Use Asset

The Company applies single recognition and measurement approach for all leases, except for short term leases and leases of low value assets. On the commencement of the lease, the Company, in its Standalone Statement of Assets and Liabilities, recognised the right of use asset at cost and lease liability at present value of the lease payments to be made over the lease term.

Subsequently, the right of use asset is measured at cost less accumulated depreciation [calculated on straight line method] and any accumulated impairment loss. Right-of-use assets are depreciated on a straight-line basis over the lease term as follows:

Asset category	Lease Term
Leasehold land	59 years

The right-of-use assets are also subject to impairment. Refer to the accounting policies in note 3.7 on impairment of non-financial assets.

3.7. Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date for any indication of impairment based on internal / external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of a) fair value of assets less cost of

disposal and b) its value in use. Value in use is the present value of future cash flows expected to derive from an assets or Cash-Generating Unit (CGU).

Based on the assessment done at each balance sheet date, recognised impairment loss is further provided or reversed depending on changes in circumstances. After recognition of impairment loss or reversal of impairment loss as applicable, the depreciation charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on a systematic basis over its remaining useful life. If the conditions leading to recognition of impairment losses no longer exist or have decreased, impairment losses recognised are reversed to the extent it does not exceed the carrying amount that would have been determined after considering depreciation / amortisation had no impairment loss been recognised in earlier years.

3.8. Inventories

Inventories include raw materials and components, work-in-progress, traded and manufactured finished goods.

Cost of inventories have been computed to include all cost of purchases, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials, components is ascertained based on weighted average method. However, raw materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Costs are determined on weighted average basis.

Work-in-progress and finished goods are valued at lower of cost and net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Net realizable value for work in progress is determined with reference to the selling price of related finished goods. Trade goods are considered at landed cost.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Provision is made for the cost of obsolescence and other anticipated losses, whenever considered necessary.

3.9. Revenue recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has concluded that it is principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer. The policy of recognizing the revenue is determined by the five stage model proposed by Ind AS 115 "Revenue from contract with customers".

(a) Revenue from operations:

- Revenue from sale of goods is recognised at the point in time when control of the assets is transferred to the customer, generally on delivery of the goods.
- Revenue from sale of services is recognized on rendering of services to the customers based on contractual arrangements. Revenue is recorded exclusive of goods and service tax. Contract prices are either fixed or subject to price escalation clauses.
- Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services
- Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts and incentives, if any, as specified in the contract with the customer.
- Revenue also excludes taxes collected from customers.

- Unearned and deferred revenue ("contract liability") is recognised when there is billings in excess of revenues.

(b) Interest income

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in the statement of profit and loss.

(c) Dividends

Dividend income is recognised when the Company's right to receive the payment is established.

(d) Other income

Other incomes are accounted on accrual basis, except interest on delayed payment by debtors and liquidated damages which are accounted on acceptance of the Company's claim.

3.10. Foreign currency transaction

Transactions in foreign currencies are initially recorded by the Company in its functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange difference that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognized as income or expenses in the period in which they arise. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation differences on items whose fair value gain or loss is recognised in OCI or the statement of profit and loss are also recognised in OCI or the statement of profit and loss, respectively)

3.11. Employee benefits

- Short term employee benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss in the period in which the employee renders the related service.

- Post-employment benefits & other long term benefits

a. Defined contribution plan

The defined contribution plan is a post-employment benefit plan under which the Company contributes fixed contribution to a Government Administered Fund and will have no obligation to pay further contribution. The Company's defined contribution plan comprises of Provident Fund, Labour Welfare Fund, Employee State Insurance Scheme, National Pension Scheme, and Employee Pension Scheme. The Company's contribution to defined contribution plans are recognized in the Statement of Profit and Loss in the period in which the employee renders the related service.

b. Post-employment benefit and other long term benefits

The Company has defined benefit plans comprising of gratuity and other long term benefits in the form of leave benefits. Company's obligation towards gratuity liability is funded / unfunded. The present value of the defined benefit obligations and other long term employee benefits is determined based on actuarial valuation using the projected unit credit method. The rate used to discount defined benefit

obligation is determined by reference to market yields at the Balance Sheet date on Indian Government Bonds for the estimated term of obligations.

For gratuity plan, re-measurements comprising of (a) actuarial gains and losses, (b) the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and (c) the return on plan assets (excluding amounts included in net interest on the post-employment benefits liability) are recognised immediately in the balance sheet with a corresponding debit or credit to the other comprehensive income in the period in which they occur. Re-measurements are not reclassified to statement of profit and loss in subsequent periods.

Gains or losses on the curtailment or settlement of defined benefit plan are recognised when the curtailment or settlement occurs.

Actuarial gains or losses arising on account of experience adjustment and the effect of changes in actuarial assumptions for employee benefit plan [other than gratuity] are recognized immediately in the Statement of Profit and Loss as income or expense.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

3.12. Borrowing cost

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of the respective asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset which necessarily takes a substantial period of time to get ready for its intended use or sale. Ancillary cost of borrowings in respect of loans not disbursed are carried forward and accounted as borrowing cost in the year of disbursement of loan. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest expenses calculated as per effective interest method, exchange difference arising from foreign currency borrowings to the extent they are treated as an adjustment to the borrowing cost and other costs that an entity incurs in connection with the borrowing of funds.

3.13. Taxes on income

Tax expenses for the year comprises of current tax, deferred tax charge or credit and adjustments of taxes for earlier years. In respect of amounts adjusted outside profit or loss (i.e. in other comprehensive income or equity), the corresponding tax effect, if any, is also adjusted outside profit or loss.

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year and any adjustments to the tax payable or receivable in respect of previous years as determined in accordance with the provisions of the Income Tax Act, 1961 that have been enacted or subsequently enacted at the end of the reporting period.

Current tax assets and current tax liabilities are offset when there is legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis or simultaneously.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, and deferred tax assets are recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which such deferred tax assets can be utilized. In situations where the Company has unused tax losses and unused tax credits, deferred tax assets are recognised only if it is probable that they can be utilized against

future taxable profits. Deferred tax assets are reviewed for the appropriateness of their respective carrying amounts at each Balance Sheet date.

At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises previously unrecognised deferred tax assets to the extent that it has become probable that future taxable profit allows deferred tax assets to be recovered.

3.14. Cash & cash equivalent

Cash and cash equivalents include cash in hand, bank balances, deposits with banks (other than on lien) and all short term and highly liquid investments that are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

3.15. Statement of cash flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

3.16. Provisions, contingent liabilities, contingent assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

3.17. Earnings per share

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year. The weighted average numbers of shares also includes fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is receivable (generally the date of their issue) of such instruments.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

3.18. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

3.19. Derivative financial instruments

Derivatives are recognised initially at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each reporting date. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedge relationship.

A derivative with a positive fair value is recognised as a financial asset whereas a derivative with a negative fair value is recognised as a financial liability. Derivatives are not offset in the financial statements unless the Company has both a legally enforceable right and intention to offset. A derivative is presented as a non-current asset or a non-current liability if the remaining maturity of the instrument is more than 12 months and it is not due to be realised or settled within 12 months. Other derivatives are presented as current assets or current liabilities.

Embedded derivatives

An embedded derivative is a component of a hybrid contract that also includes a non-derivative host – with the effect that some of the cash flows of the combined instrument vary in a way similar to a standalone derivative. Derivatives embedded in hybrid contracts with a financial asset host within the scope of Ind AS 109 are not separated. The entire hybrid contract is classified and subsequently measured as either amortised cost or fair value as appropriate.

Derivatives embedded in hybrid contracts with hosts that are not financial assets within the scope of Ind AS 109 (e.g. financial liabilities) are treated as separate derivatives when they meet the definition of a derivative, their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

If the hybrid contract is a quoted financial liability, instead of separating the embedded derivative, the Company generally designates the whole hybrid contract at FVTPL.

An embedded derivative is presented as a non-current asset or non-current liability if the remaining maturity of the hybrid instrument to which the embedded derivative relates is more than 12 months and is not expected to be realised or settled within 12 months.

3.19.1. Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective

interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at Fair value through profit or loss (FVTPL). Interest income is recognised in profit or loss and is included in the "Other income" line item.

Investments in equity instruments at Fair value through Other Comprehensive Income (FVTOCI)

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

A financial asset is held for trading if:

- It has been acquired principally for the purpose of selling it in the near term; or
- On initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument or a financial guarantee. Dividends on these investments in equity instruments are recognised in profit or loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in profit or loss are included in the 'Other income' line item.

Financial assets at FVTPL

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model based on 'simplified approach' for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the twelve month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in statement of profit and loss.

De-recognition of financial asset

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an

associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On de-recognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

3.19.2. Financial liability and equity instrument

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for de-recognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading or contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of a Company of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the Companying is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on re-measurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Finance Cost' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognised in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognised in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognised in profit or loss.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item. The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability or (where appropriate) a shorter period, to the gross carrying amount on initial recognition.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

Compound financial instruments

The liability component of a compound financial instrument is recognised initially at fair value of a similar liability that does not have an equity component. The equity component is recognised initially as the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability

component. Any directly attributable transaction costs are allocated to the liability and the equity components, if material, in proportion to their initial carrying amounts.

Subsequent to the initial recognition, the liability component of a compound financial instrument is measured at amortised cost using the effective interest rate method. The equity component of a compound financial instrument is not re-measured subsequent to initial recognition except on conversion or expiry.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Reclassification

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in statement of profit or loss.

37 Employee benefits

(A) Defined Contribution Plans

The Company has certain defined contribution plans. The obligation of the Company is limited to the amount contributed and it has no further contractual obligation. Following is the details regarding Company's contributions made during the period:

Particulars	For the year ended 31st March, 2025	For the year ended 31st March, 2024
Employers' Contribution to Pension Scheme (Refer note 29)	0.13	0.12
Employers' Contribution to Provident Fund (Refer note 29)	1.76	1.49

(B) Defined Benefit plans

(I) Compensated leave absences

The Compensated leave absences benefit scheme is a defined benefit plan and is wholly unfunded. Hence, there are no plan assets attributable to the obligation. The long term employee benefits in the form of compensated leave absences have been determined using the projected unit credit method as at the balance date on the basis of actuarial valuation. The leave wages are payable to all eligible employees at the rate of daily salary for each day of accumulated leave on death or on resignation or upon retirement on attaining superannuation age.

Following amounts are recognised in respect of unfunded obligation towards compensated leave absences-

Particulars	For the year ended 31st March, 2025	For the year ended 31st March, 2024
Amount recognised in the Balance Sheet		
Non-current	0.85	1.00
Current	0.70	0.18

Notes to the Standalone Financial Statement for the year ended 31st March 2025
(Amount in millions, unless otherwise stated)

(II) Gratuity

The Company has a defined benefit gratuity plan for its employees. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the Act, every employee who has completed five periods of service is entitled to specific benefit. The level of benefits provided depends on the employee's length of service and salary at retirement age. Every employee who has completed five periods or more of service gets a gratuity on departure at 15 days salary (last drawn) for each completed period of service as per the provisions of the Payment of Gratuity Act, 1972. The scheme is unfunded.

Risks associated with plan provisions

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follows:

Interest rate risk	A fall in the discount rate which is linked to the Government Securities Rate will increase the present value of the liability requiring higher provision.
Salary inflation risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.
Asset liability matching risk	The plan faces the ALM risk as to the matching cashflow. Entity has to manage pay-out based on pay as you go basis from own funds.
Mortality risk:	Since the benefits under the plan is not payable for lifetime and payable till retirement age only, plan does not have any longevity risk.

For determination of the liability in respect of compensated gratuity, the Company has used following actuarial assumptions:

(b) Fair valuation techniques

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of financial assets and financial liabilities are approximately equal to their carrying amounts.

Valuation techniques used for valuation of derivative instruments categorised as level 3:

Fair value of derivatives at fair value through profit or loss is measured using Monte Carlo Simulation Pricing method to evaluate the conditions of committed Internal rate of return (IRR), assuming time to liquidity of 2 years from the Balance sheet date. Other unobservable inputs includes use of 7.05% of risk free rate, 35% standard deviation.

(c) Fair value hierarchy

Financial assets and financial liabilities are measured at fair value in the financial statement and are grouped into three levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

41 Risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyze the risk faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company's Board of Directors oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk;
- Market risk
- Interest rate risk

(a) Credit risk :

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

Trade receivable

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. To manage trade receivable, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, economic trends, analysis of historical bad debts and aging of such receivables.

The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 37(a). The Company does not hold collateral as security.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Company's policy. Counterparty credit limits are reviewed by the management on an annual basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

(b) Liquidity risk :

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows to ensure it has sufficient cash to meet operational needs. Such forecasting takes into consideration the Company's debt financing plans, covenant compliance and compliance with internal statement of financial position ratio targets.

(i) Maturities of financial liabilities:

The following are the remaining contractual maturities of financial liabilities at the reporting date:

Particulars	Less than 1 year	1 to 5 years	Above 5 years	Total
As at 31st March, 2025				
Trade payables	201.32	-	-	201.32
Other Financial Liabilities	29.67	-	-	29.67
As at 31st March, 2024				
Borrowing	-	-	-	-
Trade payables	101.61	-	-	101.61
Other Financial Liabilities	-	27.35	-	27.35

(c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of certain commodities. Thus, its exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities. The objective of market risk management is to avoid excessive exposure in revenues and costs.

(d) Capital risk management

The Company's objectives when managing capital are to safeguard the company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. As at March 31, 2025 the borrowing is nil.

(e) Interest Rate Risk

The Company has no interest bearing borrowings and therefore it is not subject to interest rate risk.

INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF CONCORD ENVIRO SYSTEMS LIMITED

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **CONCORD ENVIRO SYSTEMS LIMITED** ("the Company"), for the quarter and nine months ended December 31, 2025 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- (ii) The Standalone financial results of the Company have been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013, as amended, read with relevant rules thereunder and other accounting principles generally accepted in India and in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations 2015, as amended ("the Regulations").
- (iii) During the quarter ended June 2025, a reimbursement of Rs. 45 million from AF Holdings representing their proportionate share of expenses incurred for the filing of the Draft Red Herring Prospectus in FY 2022-23, has been recognized as income under the head "Other Income." The total filing expenses had been written off in FY 2022-23.
- (iv) The Government of India has notified the four Labour Codes on November 21, 2025 - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Company has assessed the financial impact arising from these regulatory changes, particularly concerning the revised definition of wages and its impact on gratuity and other benefits. An incremental impact of gratuity liability arising out of past service cost and increase in leave liability together by Rs. 3.90 million has been recognized as an Exceptional Item during the quarter considering material regulatory-driven and non-recurring nature of this impact. The Company will continue to monitor state-specific rules and further clarifications from the Government and provide appropriate accounting effects as needed.
- (v) During the quarter ended December, 2024, the Company had completed its Initial Public Offer (IPO) of 7,137,321 equity shares of face value of Rs. 5 each at an issue price of Rs. 701 per share (including a share premium of Rs. 696 per share). The issue comprised of a fresh issue of 2,496,433 equity shares aggregating to Rs. 1,750.00 million and offer for sale of 4,640,888 equity shares by selling shareholders aggregating to Rs. 3,253.26 million, totalling to Rs. 5,003.26 million. Pursuant to the IPO, the equity shares of the Company were listed on National Stock Exchange of India Limited (NSE) and BSE Limited (BSE) on December 27, 2024.

The Company's share of total offer expenses are Rs. 129.24 million. The details of IPO proceeds of Rs. 1,750.00 million (net of IPO expenses of Rs. 129.24 million) which were utilized as at December 31, 2025 are summarized below.

ORDER

1. This is a First Motion Company Application for the Composite Scheme of Arrangement between Concord Enviro Systems Limited (Applicant Company) and its Shareholders (Scheme) under the provisions of Section 230 read with Section

52 and Section 66 of the Companies Act, 2013 (Act) read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 (CCAA Rules).

2. Heard the Ld. Counsel for the Applicant Company.
3. The registered office of the Applicant Company is situated in the State of Maharashtra, and hence the subject matter of the Application is within the territorial jurisdiction of this Tribunal.
4. The Ld. Counsel for the Applicant Company submits that the Board of Directors of the Applicant Company, in their meeting held on 08.08.2025, has approved the Scheme. The appointed date for the purpose of the Scheme is 01.04.2025 or such other date as may be fixed or approved by this Tribunal.
5. The Ld. Counsel for the Applicant Company submits that the Rationale for the Scheme is as under: -

“ii. Rationale and Purpose of the Scheme

- A. *The Company currently has a negative balance under the head “Retained Earnings”. Despite reporting the profits during the previous years, the negative Retained Earnings are weighing down the financial statements of the Company and are not reflective of its true current financial position.*
- B. *As a strategic move, the Company proposed to undertake financial restructuring through a Scheme of Arrangement to set-off the negative balance in the Retained Earnings against the credit balance in the Securities Premium Account. The set-off of the credit balance in the Securities Premium Account would not have any impact on the shareholding pattern and the capital structure of the Company.*
- C. *The above set-off could potentially reap strategic benefits including but not limited to the following:*
 - i. *the financial statements of the Company should reflect its true and fair financial health and achieve right sizing of the balance sheet;*

- ii. *help in resizing the reserves of the Company and thereby denoting a positive reserve representing its true and fair financial position which is commensurate with its business and assets;*
- iii. *Enable the Company to use the amount which is lying unutilized in the credit balance in the Securities Premium Account of the Company in an effective manner for the benefit of the Company;*
- iv. *Help in exploring the opportunities for the benefit of the shareholders of the Company including but not restricted to dividend payment as per applicable provisions of the Companies Act, 2013 and rules made thereunder;*
- v. *The Scheme does not involve any financial outlay/outgo and therefore, would not affect the ability or liquidity of the Company to meet its obligations/commitments in the normal course of business. Further, this Scheme would also not in any way adversely affect the ordinary operations of the Company;*
- vi. *The Scheme would be in the best interest of the shareholders and other stakeholders of the Company.*

In view of the aforesaid, the Board of Directors of the Company has considered and proposed this Scheme and matters incidental thereto pursuant to the provisions of Sections 230, read with Section 52 and Section 66, and other relevant provisions of the Act.”

6. The Ld. Counsel for the Applicant Company submits that the authorised, issued, subscribed, and paid-up share capital of the Applicant Company as on 31.03.2025, is as under:

Particulars	Amount in Rs.
Authorised Share Capital	
4,00,00,000 equity shares of Rs. 5/- each	20,00,00,000
0.001% compulsorily convertible non-cumulative preference shares of Rs. 1000/- each	22,50,00,000
TOTAL	42,50,00,000
Issued, Subscribed and Paid-up Share Capital	
2,06,96,233 equity shares of Rs. 5/- each fully paid up	10,34,81,165
TOTAL	10,34,81,165

7. Subsequent to the above date and up to the approval of the Scheme by the Board of the Applicant Company, there has been no change in the authorised, issued, subscribed, and paid-up capital of the Applicant Company.
8. The Ld. Counsel for the Applicant Company submits that, upon the Scheme becoming effective and with effect from the Appointed Date, the negative balance of the Retained Earnings shall be first adjusted against the credit balance in the Securities Premium Account as appearing in the books of accounts of the Applicant Company as on the Appointed Date.
9. It is further submitted by the Ld. Counsel for the Applicant Company that, upon the Scheme becoming effective, there will be no outflow or payout of funds from the Applicant Company; therefore, the interests of shareholders or creditors shall not be adversely affected. Furthermore, it is submitted that the Scheme shall not, in any manner, involve the distribution of reserves and shall be in accordance with the accounting standards prescribed under Section 133 of the Act.
10. The other equity as appearing in the books of accounts of the Company is given as below:

Particulars	Amount in Rs.
General Reserve	98,525
Securities Premium	2,44,25,66,361.62
Retained Earnings	(46,16,81,974.32)
Remeasurement Benefits	(13,12,484.13)

11. It was further submitted that the Equity Shares of the Applicant Company are listed on BSE Limited (BSE) and the National Stock Exchange of India Limited (NSE), and accordingly, its equity shares are (widely and publicly) traded on nationwide terminals.

12. Conducting meeting of Shareholders:

- 12.1 The Ld. Counsel for the Applicant Company submits that there are 55,298 (Fifty-five thousand two hundred and ninety-eight) Equity Shareholders in the Applicant Company, and the certificate of the Chartered Accountant

REPORT OF THE AUDIT COMMITTEE OF CONCORD ENVIRO SYSTEMS LIMITED (“COMPANY”) AT ITS MEETING HELD ON 8TH AUGUST 2025, RECOMMENDING THE DRAFT SCHEME OF ARRANGEMENT BETWEEN THE COMPANY AND ITS SHAREHOLDERS UNDER SECTION 230 READ WITH SECTION 52 AND SECTION 66 AND OTHER APPLICABLE PROVISIONS OF THE COMPANIES ACT, 2013

Present:

S. No.	Name of Committee Members	Designation
1.	Ms. Kamal Shanbhag	Independent Director (Chairperson of the Committee)
2.	Mr. Prerak Goel	Executive Director
3.	Mr. Shiraz Bugwadia	Independent Director
4.	Mr. Prakash Shah	Independent Director

1. Background

- 1.1.** A meeting of the Audit Committee of Concord Enviro Systems Limited (“**Company**”) was held on 8th August, 2025, to, *inter alia*, consider and if thought fit, recommend to the Board of Directors of the Company (“**Board**”), the draft Scheme of Arrangement between Concord Enviro Systems Limited and its shareholders (“**Draft Scheme**”), pursuant to the provisions of Section 230 read with section 52 and section 66 and other applicable provisions of the Companies Act, 2013 (“**Act**”) and the rules made thereunder.
- 1.2.** The Company was incorporated on 1st July, 1999 under the provisions of the Companies Act, 1956, with Corporate Identification Number L45209MH1999PLC120599 and having its registered office situated at 101, HDIL Towers, Anant Kanekar Marg, Bandra (East), Mumbai City, Mumbai, Maharashtra, India, 400051. It is engaged in the business of manufacturing and trading of components of water treatment plants and providing technical consultancy and design services. The equity shares of the Company are listed on the BSE Limited and the National Stock Exchange of India Limited.
- 1.3.** This report of the Audit Committee is made to comply with the requirements of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 (“**Listing Regulations**”) read with relevant circulars and as amended

from time to time.

1.4. The following documents were placed before the Audit Committee:

- a. Draft Scheme
- b. The draft auditor's certificate(s) to be issued by the statutory auditors of the Company, Deloitte Haskins & Sells LLP, certifying that the accounting treatment mentioned in the draft Scheme is in compliance with the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and generally accepted accounting, principles;

2. Observations of Audit Committee on the Scheme

2.1. Need for the Arrangement and Rationale of the Scheme

The Scheme provides for financial restructuring of the Company wherein the negative balance of Retained Earnings of the Company would be adjusted against the credit balance in the Securities Premium Account of the Company under the provisions of Section 230 read with section 52 and section 66 and other applicable provisions of the Companies Act, 2013.

The Audit Committee of the Company noted the rationale and the benefits of the Scheme which, inter-alia, are as follows:

1. The Company currently has a negative balance under the head "Retained Earnings". Despite reporting profits during the previous years, the negative Retained Earnings are weighing down the financial statements of the Company and are not reflective of its true current financial positions.
2. As a strategic move, the Company proposed to undertake financial restructuring through a Scheme of Arrangement to set-off the negative balance in the Retained Earnings against the credit balance in the Securities Premium Account. The set-off of the credit balance in the Securities Premium Account would not have any impact on the shareholding pattern and the capital structure of the Company.
3. The above set-off could potentially reap strategic benefits including but not limited to the following:
 - a. the financial statements of the Company would reflect its true and fair financial health and achieve right sizing of the balance sheet;
 - b. help in resizing the reserves of the Company and thereby denoting a positive reserve representing its true and fair financial position which is commensurate with its business and assets;
 - c. Enable the Company to use the amount which is lying unutilized in the credit balance in the Securities Premium Account of the Company in an effective manner for the benefit of the Company;

- d. Help in exploring the opportunities for the benefit of the shareholders of the Company including but not restricted to dividend payment as per applicable provisions of the Act and rules made thereunder;
 - e. The Scheme does not involve any financial outlay/outgo and therefore, would not affect the ability or liquidity of the Company to meet its obligations/commitments in the normal course of business. Further, this Scheme would also not in any way adversely affect the ordinary operations of the Company;
4. The Scheme would be in the best interest of the shareholders and other stakeholders of the Company.

2.2. Synergies of business of the entities involved in the Scheme

The present Scheme does not involve any merger/ demerger/ re-organization of the business of the Company with any other company.

2.3. Cost-Benefit Analysis of the Scheme

Although the proposed Scheme would lead to incurring of some costs towards its implementation, however, the benefits of the Scheme over a longer period would far outweigh such costs for the stakeholders of the Company

2.4. Impact of the Scheme on the Shareholders

- a. There is no outflow of / pay out of funds from the Company and hence, the interest of the shareholders is not adversely affected. For the removal of doubt, it is expressly recorded and clarified that the proposed Scheme shall not in any manner involve distribution of reserves and shall be in accordance with the accounting standards prescribed under provisions of Section 133 of the Act.
- b. The adjustment of the negative balance of Retained Earnings against the credit balance in the Securities Premium Account of the Company would not involve either a diminution of liability in respect of unpaid share capital or payment of paid-up share capital.
- c. This proposed Scheme is an “arrangement” between the Company and its shareholders under Section 230 read with section 52 and section 66 of the Act and does not envisage the transfer or vesting of any properties and/or liabilities as contemplated in Sections 230 to 232 and other applicable provisions of the Act. This proposed Scheme does not involve any "conveyance" or "transfer" of any property/liabilities and does not relate to amalgamation or merger or demerger of companies in terms of Sections 230 to 232 of the Act. Accordingly, this proposed Scheme and the order sanctioning this Scheme shall not be deemed to be a conveyance within the meaning of the Maharashtra Stamp Act, 1958, and therefore no stamp duty shall be payable on the Scheme and / or the

order sanctioning this Scheme.

- d. The proposed Scheme is expected to be beneficial to the Company and its shareholders and all other stakeholders.

2.5. No requirement of obtaining valuation report or fairness opinion

The Scheme provides for financial restructuring of the Company wherein the negative balance of Retained Earning of the Company would be adjusted against the credit balance in the Securities Premium Account of the Company. Pursuant to the Scheme no consideration, in form of cash, shares or otherwise, is proposed to be paid by the Company. Accordingly, there is no requirement to obtain a valuation report from a registered valuer, in connection with shares, assets or business of the Company. Since, valuation report is not required for the present Scheme, there is also no requirement to obtain any fairness opinion from a merchant banker.

3. Recommendations of the Audit Committee

The Audit Committee inter alia having noted the rationale, benefits and the impact of the Scheme on shareholders and others concerned and in particular the fact that the Scheme is not detrimental to the interests of shareholders of the Company and in consideration of the documents placed before it, approves and recommends the Scheme to the Board of Directors of the Company for its consideration and approval.

By Order of the Audit Committee of Directors of
Concord Enviro Systems Limited

Ms. Kamal Shanbhag
